Who are Sussex MSK Partnership East?

We are the local NHS service for patients with musculoskeletal (muscles, bones and joints) conditions in East Sussex.

Under our care, you will be assessed and treated by specialist clinicians such as Physiotherapists, Extended Scope Practitioners, Consultants or Wellbeing Clinicians.

Most of our clinics are held in local health centres so unless you need an operation, you will be treated in the community.

What is MSK?

MSK is short for “musculoskeletal”. This term covers problems, diseases and injuries relating to muscles, bones and joints.
